Baby Shower

FOR THE FAMILIES WE SERVE

HOW TO ORGANIZE A BABY SHOWER

Setting a Date and Venue

Choose a convenient date and venue, such as a home, community center, or the pregnancy care center.

Invitations

Send invitations early, using digital or traditional methods.

Decorations and Themes

Use baby-themed decor in pastel colors to create a welcoming atmosphere.

Activities and Games

Plan baby-related games like guessing games, diaper-changing races, and baby name suggestions.

Receiving and Organizing Donations

Designate an area for donations and ensure guests have options from the needed items list.

Making the Delivery

Deliver collected items to the pregnancy care center, coordinating with them for the best time.

Hosting a baby shower for a pregnancy care center supports families in your community and brings joy to mothers and their babies.

Most Needed Items

When planning your baby shower, consider focusing on the following essential items that are in high demand at pregnancy care centers:

Baby Bottles: Crucial for feeding infants, baby bottles are always needed.

Baby Monitor: Ensures the safety of the baby by allowing parents to keep an ear on their little one.

Baby Outfits: New clothes for babies, including onesies, are highly appreciated.

Baby Shampoo: Gentle shampoo suitable for newborns.

Oil: Baby oil for moisturizing the baby's skin.

Wash: Gentle body wash designed for babies.

Powder: Baby powder to keep the baby's skin dry and rash-free.

Cream: Various creams, including diaper rash cream, are essential.

Bibs: Helps keep babies clean during feeding times.

Blankets: Warm and cozy blankets for swaddling and comfort.

Car Bottle Warmer: Convenient for parents on the go.

Crib Sheets: Fresh sheets for cribs to ensure a clean sleep environment.

Diapers – All Sizes: Diapers are a constant necessity for any new parent.

Diaper Bag: Practical bags to carry all baby essentials.

Formula: Baby formula to ensure infants get the nutrition they need.

Nasal Aspirator: Essential for clearing a baby's nasal passages.

Onesies: Comfortable and easy-to-wear outfits for babies.

Pacifiers: Helps soothe and calm babies.

Rattles: Fun toys that stimulate babies' senses.

Sippy Cups: Helps transition from bottle to cup feeding.

Socks: Keeps babies' feet warm.

Spoons: Baby-safe spoons for feeding solids.

Towels/Wash Cloth: Soft towels and washcloths for bath time.

Wipes: Essential for diaper changes and clean-ups.
